

The parents' Council

Schulkreis Lorraine

May 2017

What is the role of the parents' council?

- The parents' council is a participatory organ for the parent body in the school. The committee encourages the communication between the parents and the school and contributes towards a good atmosphere in the school. The parents' council is permanently concerned with the well-being of all the children.
- The parents of each class (from kindergarten up to the 9th class) elect at the beginning of the school year two representatives for the parents' council.

When can you contact the members of the parents' council?

- If you wish to discuss questions, share your ideas or to get connected with other parents
- If you need any help or any further information connected with the school or with a specific class

Your parents' council representatives are:
